

Competing for visibility in the public policy arena is no easy feat. We can help!

As the digital magazine of the IRPP – one of Canada’s most trusted and influential think tanks – *Policy Options* is your destination for trustworthy public policy discussions. With daily articles written by academics, researchers, political experts, journalists and policy enthusiasts, *Policy Options* is the place many decision-makers turn to for objective, credible and diverse viewpoints on all things public policy.

Our audience cares about the public policy issues that matter to Canadians. Let’s get them talking about issues that matter to you!
